EXTENDED PUBLIC COMMENT PERIOD DETERMINATION OF NON-SIGNIFICANCE

Name of Proposal: Lower Tolt River Floodplain Reconnection Project

Extended Comment Period: Due to the high level of interest in this project, the comment period deadline has been extended from *July 28, 2006* to *August 11, 2006*.

The Determination of Non-Significance was issued under the Washington Administrative Code (WAC 197-11-340(2)) on June 26, 2006, and the public comment period was to close on July 28, 2006, 32 days after the date of issuance in compliance with WAC 197-11-502. The public comment period has been extended to *August 11, 2006*. Any comments regarding this project must be submitted by *August 11, 2006*.

Comments received by *August 11, 2006* will be reviewed by the lead agency. There is no King County administrative appeal of this determination. Any appeals to this project must be filed in King County Superior Court.

Proponent and Lead Agency: King County Department of Natural Resources and Parks, Water and Land Resources Division

The lead agency for the proposal has determined that the project does not have a probable significant adverse impact on the environment. An Environmental Impact Statement is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request, or at the following website:
